

A Renewable Energy Future

Sponsored by the Tredyffrin Township Environmental Advisory Council

Saturday July 28, 2018

10:00 – 11:30 AM at the Tredyffrin Library

582 Upper Gulph Road, Wayne

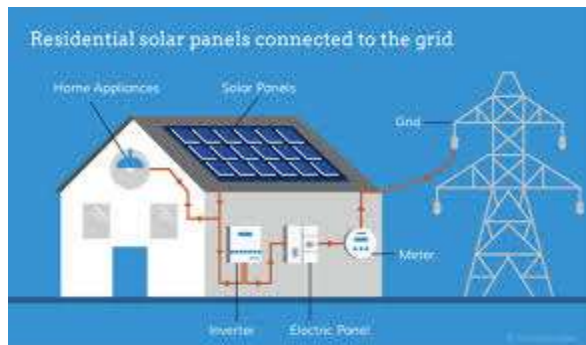

Worried about climate change? There is much we can do locally and the time to act is now! The technology is here and the finances work in our favor. Join presenters: Rutger Boerema, Jennifer Cox and Alan Yockey to learn how we, as individuals and as a community, can support a renewable energy future.

Topics:

- Clean Energy Resolution for Tredyffrin Twp
- Regional efforts toward a renewable energy future
- Switching to clean electricity via PA Powerswitch
- Geothermal in residential homes

- Solar on residential homes

All are welcome! We hope you can join us...and bring a friend or two. Please share this invitation broadly.
