## Universal Health Care

We hear a lot about Universal Health Care or Medicare For All. But what is it? And are we prepared for it?

It turns out that there are many different proposals using this terminology ... with some very important differences. Health care was one of the significant issues in the 2018 election and it appears that it will be at least as significant in the 2020 presidential election.

So please join us as we take a deeper look at Universal Health Care. Lets prepare ourselves so that we can have a real discussion of the issues and challenges, the pros and cons, of the various Health Care proposals rather than just debating a bunch of sound bites.

Please join us as we discuss the opportunities and challenges of Universal Health Care ... what the various proposals are and what can and should be done.

**Monday March 11**

**7:30 – 9pm at the Tredyffrin Library**

The session will start at 7:30pm, but we have the room starting at 7:00pm, so, please come a few minutes early for some casual discussion.

Please feel free to share this invitation broadly—all are welcome. We hope you can join us...and bring a friend or two.
